TO WHOM SO EVER IT MAY CONCERN

We are in business with International Equipments, 8 & 35 crescent Industrial Estate, Kanjurmarg (East), Mumbai 400042, India.

We recently bought few laboratory equipment from them for our polymer laboratory. We are happy dealing with them. We are using their Moisture analyzer, Muffle Furnace, Density Apparatus and are quite satisfied with the performance of all these machines.

We look forward and quite happy with the quality and support extended to us by International Equipments.
